SUBJECT: Visitor Parking Permit Correction

Please see the corrected visitor parking permit design below. Permits will be mailed to registered owners shortly. The parking permit that you were previously sent had a typographical error. It is important that you discard the old green visitor parking tag and replace it with the new purple one. Please keep in mind that your tag numbers and open space parking permits will remain the same.

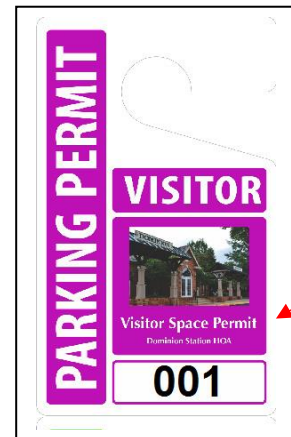

Parking enforcement will be removing vehicles from the community that use the incorrect visitor permits starting January 1, 2017. Please use the reference below to make sure that you are using the correct visitor parking tag.

Incorrect

**The parking tag should say
