

Unauthorized Fliers Posted in the Community

Wednesday, 22 October 2014 15:29

The Board of Directors have just been made aware that there are several fliers being posted and distributed throughout the community, one about the Neighborhood Watch Program and "many incidents", and one about Exterior Modifications and the Architecture Review Committee.

None of these fliers were posted, distributed or authorized .by the HOA nor the LCSO. Contrary to what the fliers state, the Board of Directors for the HOA, nor the LCSO, have been made aware of any concern for safety.

If you have any information on who is responsible for posting the fliers, please notify the Neighborhood Watch Program (nwp@dshoa.com), the webmaster (webmaster@dshoa.com) or the HOA Board of Directors (<http://dshoa.com/contacts/board-of-directors>).
